NTNU World Book Day Festival

日期

Social & Emotional Learning, SEL 4/18-5/14 Draw Your Mood

NTNU World Book Day Festival (4/18-5/14) presents a series of activities with the theme 'Draw Your Mood', including thematic book exhibitions, film screenings, lectures, and book sales. These activities provide opportunities for participants to gain deeper insights into themselves, understand their emotions, and enhance social emotional learning skills.

Are you struggling with your thesis and finding it difficult to concentrate on your research writing? Let's kick-start your writing process with some effective writing rituals. NTNU Library offers a vast range of research resources, writing spaces, academic writing workshops, and library subject services to aid you in your writing journey. These workshops will primarily

focus on writing efficiently and provide you with essential writing tips. Don't miss out on this opportunity and join our workshops now!

2023

Workshop

Workshop topics include: Pure, OA, ORCID, and more. The workshop will cover all information and skills necessary to create a comprehensive researcher profile and increase academic visibility. Additionally, the workshop will use the researcher network visualization tools to show potential academic collaborative opportunities.

The NTNU Digital Scholarship Workshop will introduce research support services provided by the NTNU Library, including the NTNU Researcher Portal, Open Access (OA) Publish Support, ORCID Setup Project, etc. The Workshop will invite professors to share their experience in using the NTNU Researcher Portal and publishing OA articles. The Workshop will cover all information and skills necessary to create a comprehensive researcher profile and increase academic visibility. Additionally, the Workshop will use the researcher network visualization tools to show potential academic collaborative opportunities.

Workshop topics include: Pure, OA, ORCID, and more.
